

"I wish I had learned another language when I was younger."

How many times have you had that thought?

Well, you can now give that amazing opportunity to your child, here at Letchmore school.

My name is Marie and for the last 18 years, I have been successfully teaching French to children and adults of all ages. Some of you already know me from teaching your child this year, which I very much enjoyed.

How wonderful it will be for your child to be able to count to 100, know colors, parts of the body, animals and lots of basic sentences all in French, all through fun games, songs and stories.

I will be starting/continuing an after school French club, on Monday for the reception children, Wednesday for the year 1 children and Thursday for the Year 2 children. The club will run straight after school from 15:00 for half an hour. Starting week commencing the 9th of September 2024.

The cost per lesson is £5 payable in advance, per half term.

If you would like your child to join the club, simply email me at **marie_kerstenne@yahoo.co.uk** with your child's name, your name and phone number.

Please note that there is a limited number of spaces and it is on a first come first served basis.

The payment will be due at the beginning of September 2024, I will contact you directly at the beginning of September confirming the amount.

Have a fantastic summer break.

All the best,
